faby-lash prices

LITTLE WAND. BIG IMPACT.

WHY YOU NEED IT

With just a couple of coats, mascara can transform lashes from sparse to spectacular. It is the quickest way to define your eyes and make them appear larger.

PRETTY SMART

You won't find double-digit price tags here, and why bother when mascara only has a three-month shelf life once opened? Shop today and you can stock up on an entire year's supply for less than the cost of a single designer-brand tube—and still get beautiful results.

COME CLEAN

Soap and water are no match for mascara. Instead, saturate a cotton ball or pad with Rexall Brand Eye Makeup Remover Gentle Formula, 120 ml, \$6.99. Press lightly on eyes, and then carefully sweep lashes.

To learn more about when, and why, to pitch makeup, check out "Cosmetic bag clear out" at www.rexall.ca.
